Forecast For London & Southeast England
Issued by Met Office Exeter
at 0400 on Friday 26 Nov 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Friday, rain then showers. Windy Saturday, cold, a wintry mix.

Today:
Outbreaks of rain at first this morning, will gradually clear away southeast, then sunny spells and scattered showers. Windy at first, then breezy, and feeling cold. Maximum temperature 8 deg C (46 deg F).

Tonight:
Outbreaks of rain, sleet and perhaps some snow over hills, accompanied by strong winds, moving in from the northwest. Winds strengthen further in the west later. Minimum temperature 0 deg C (32 deg F).

Saturday:
Windy and cold with outbreaks of rain, sleet and perhaps a little snow over hills, these gradually becoming more confined to the east through the day. Maximum temperature 6 deg C (43 deg F).

Outlook for Sunday to Tuesday:
Sunday, showers in east, some sleet and hail. Cold but less windy. Monday, mostly dry, bright and cold. Becoming cloudier, windier and milder Tuesday, with some rain.
